

# USON PLAST A/S

Care for people

Safety containers and medical supplies for the health care sector

## 5 litre USON Sharps Container

This USON 5,0 litre Sharp Containers is designed for hospitals and health care institutions to dispose of syringes, scalpels and other types of sharps.

It is designed to maximise safety whilst still maintaining a barrier to protect the user and prevent spillage during use. Different lid designs give the possibility to discharge needles, syringes and other types of sharps.

USON sharps containers meet the UN requirement regarding packaging approved for transportation of dangerous goods (waste/disposal)

- Produced in Denmark according to ISO 9001 Standards
- Products are made of environmentally friendly, strong and durable Polypropylene
- Design and manufacturing secure a high degree of safety
- Different designs of lid are provided for different applicability
- Reversible closure can be safely fixed
- Containers are waterproof when closed
- Standard colours: yellow, yellow transparent, black and white
- Products are made with a private label and own colour when ordered in large quantities
- Containers meet UN requirements no. 3291

### Hinged lid

with mandatory holes for pulling off needles. For permanent closing of the container, the small flap has to be bend downwards before it is pushed down to the hole.
